

SURVEY QUESTIONS

Screening and Demographics

Screening. I am interested in learning about online abuse and overall online safety (Likert scale).

Demographics.

- (1) What is your gender?
- (2) What is your age range?
- (3) What is the highest degree or level of school you have completed? If currently enrolled in some course, it will be the highest degree received.
- (4) What is your relationship status?
- (5) Do you currently have a job (or previously worked) in computer science, information technology or some other technical field? Or, if you are a student, do you study one of these topics in your degree program?

Personality Traits

We relied on BFI-10—a 10-item Big Five Personality scale—to capture personality traits of participants [35], [55].

Q: How well do the following statements describe your personality? I see myself as someone who: (Likert scale for each item)

- is reserved.
- is generally trusting.
- tends to be lazy.
- is relaxed, handles stress well.
- has few artistic interests.
- is outgoing, sociable.
- tends to find fault with others.
- does a thorough job.
- gets nervous easily.
- has an active imagination.

Technology Usage

- (1) How long have you been using the Internet regularly (i.e., at least once in a day)?
 - Less than a year
 - 1-4 years
 - 5-10 years
 - More than 10 years
 - I do not use internet regularly
- (2) How much do you use the following social media platforms? (Repeated for the following apps: Instagram/Snapchat/Facebook/WhatsApp/TikTok/X)
 - Never
 - Once a day
 - Several times a day
 - 1-2 times a week
- (3) Is there any other social media platform you use daily that is not mentioned above? (open-ended)

PMT Constructs

- (1) **Perceived Severity:** If someone were to monitor my online activities, it would have serious consequences for my privacy and well-being (Likert scale).
- (2) **Perceived Vulnerability:** I believe I am at risk of having my online activities monitored without my consent (Likert scale).
- (3) **Self-Efficacy:** I feel confident in identifying if and how I am being monitored online (Likert scale).
- (4) **Fear Arousal:** The idea of someone monitoring my digital activities makes me feel anxious (Likert scale).

Knowledge Assessment.

Instagram.

- (1) Can multiple devices connect to the same Instagram account?
- (2) On the following screen, what should you tap if you want to find devices connected to your Instagram account? (*shows up if the previous question is answered correctly*)
 - Profiles
 - Password and security
 - Personal details
 - Your information and permissions
 - I don't know
- (3) On the following screen (different that the previous one), what should you tap if you want to find devices connected to your Instagram account? (*shows up if the previous question is answered correctly*)
 - Saved login
 - Where you're logged in
 - Login alerts
 - Security checkup
 - I don't know

WhatsApp.

- (1) Can multiple devices connect to the same WhatsApp account?
- (2) Can you remove devices connected to WhatsApp? (*shows up if the previous question is answered correctly*)
- (3) On the following screen, Which option can be used to remove devices connected to WhatsApp? (*shows up if the previous question is answered correctly*)
 - Linked Devices
 - Account
 - Privacy
 - Chats
 - I don't know

iCloud.

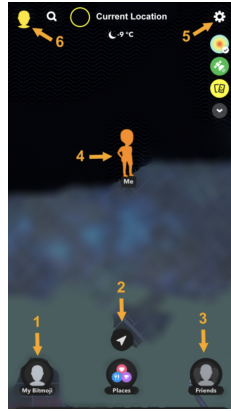

Figure 3. Screenshot used for Snapchat's assessment.

- (1) Can you limit which information is stored in iCloud?
- (2) Is it possible to turn off location tracking via iCloud?
- (3) Can multiple devices connect to the same iCloud?
- (4) Can you remove specific device from iCloud? *(shows up if the previous question is answered correctly)*
- (5) On the following screen, what should you tap to limit information shared with iCloud? *(shows up if the previous question is answered correctly)*
 - Personal Information
 - iCloud
 - Media & Purchases
 - Family Sharing
 - I don't know

Gmail.

- (1) On the following screen, where should you click to change your Google account's password?
 - Personal info
 - Data & privacy
 - Security
 - People & sharing
 - I don't know
- (2) Can multiple devices connect to the same Google account?
- (3) Can you remove devices connected to your Google account? *(shows up if the previous question is answered correctly)*
- (4) On the following screen, where should you click to review and remove devices connected to your Google account? *(shows up if the previous question is answered correctly)*
 - Personal info
 - Data & privacy
 - Security
 - People & sharing
 - I don't know

Snapchat.

- (1) Does Snapchat have access to location?
- (2) Can other users find your location via Snapchat? *(shows up if the previous question is answered correctly)*
- (3) Which option in the screenshot below (Fig. 3) allows you to turn off location sharing? (select all that applies) *(shows up if the previous question is answered correctly)*

Android.

- (1) Can multiple Google accounts be linked to the Android device?
- (2) Are there risks associated with Google accounts when linked to an Android device? *(shows up if the previous question is answered correctly)*
- (3) On the following screen, what should you tap to remove Google accounts linked to your device? *(shows up if the previous question is answered correctly)*
 - Privacy
 - Location
 - Safety & emergency
 - Passwords & accounts
 - Digital Wellbeing & parental controls
 - Google
 - System
 - I don't know

Game Feedback.

Game features feedback. How much did you like the following features in the game? (Likert scale)

- (1) Knowledge Meter (represents the player's learning of skills).
- (2) Leaderboard (a ranked list that displays individuals based on their scores).
- (3) Badges (Earned after completing each story).
- (4) Nickname.

Game content feedback. Rather than using standard SUS questions, we adopted game evaluation measures from established research that are more appropriate for assessing educational games [32]. All questions employed Likert scales, with selected items also including open-ended response options to capture qualitative feedback (bolded).

- (1) **The game grabs my attention**
- (2) The game provides content that stimulates my attention
- (3) Most of the gaming activities are related to the learning task
- (4) Generally speaking, I can remain concentrated in the game
- (5) Workload in the game is adequate

- (6) I receive feedback on my progress in the game
- (7) I receive immediate feedback on my actions
- (8) I receive information on my success (or failure) of intermediate goals immediately
- (9) I receive information on my status, such as score or level
- (10) I enjoy the game without feeling bored or anxious
- (11) The challenge is adequate, neither too difficult nor too easy
- (12) My skill gradually improves through the course of overcoming the challenges
- (13) I forget about time passing while playing the game
- (14) I feel emotionally involved in the game
- (15) **The game increases my knowledge**
- (16) I catch the basic ideas of the knowledge taught
- (17) **I will try to apply the knowledge I learned from the game in real world**
- (18) The game motivates the player to integrate the knowledge taught
- (19) **I want to know more about the knowledge taught**

Suggestions and issues faced (open-ended):

- (1) Do you wish certain features to be added to the game?
- (2) Is there a specific digital security and privacy topic you'd like to learn about?
- (3) Did you face any issue while playing the game?

FAQs Feedback.

Some questions were adapted from the modified PEMAT-P framework used for intimate partner surveillance contexts [5]. All questions employed Likert scales, with selected items also including open-ended response options to capture qualitative feedback (bolded).

- (1) The FAQs are easy-to-understand.
- (2) **I find FAQs to be the most effective way to learn about managing online privacy.**
- (3) Generally speaking, I can maintain concentration while reading the FAQs.
- (4) The FAQs are broken down into clear, manageable steps.
- (5) **The FAQs increases my knowledge.**
- (6) I catch the basic ideas of the knowledge taught
- (7) I will try to apply the knowledge I learned from the FAQs in real world
- (8) **I want to know more about the knowledge taught**

Suggestions and issues faced (open-ended):

- (1) Do you have any suggestions to improve the FAQs? (open-ended)

Abuse Experience (Post-survey).

- (1) Have you or someone you know experienced online harassment?
 - Yes / No / Prefer not to answer.
- (2) On which social media platforms have you or someone you know experienced online harassment? (Select all that apply)
 - Facebook
 - X (Twitter)
 - Instagram
 - LinkedIn
 - Snapchat
 - Reddit
 - Other (please specify)
- (3) If you feel comfortable sharing, please describe any online harassment experiences you or someone you know has encountered. Focus on technical details relevant to the experience, such as which platforms or technologies were involved, but do not include any personally identifiable information (open-ended).
